

# RING BINDER (META)

We finally found the culprit behind the ring theft—it was Hoopa, of course! Unfortunately, it doesn't seem too keen on giving us the rings back. Perhaps we found some rings of our own we could compare with the logo while we battle Hoopa?

**How can you defeat Hoopa?**

*This is a metapuzzle. It uses the answers to all 10 other puzzles.*

*(The other five puzzles are listed here, in alphabetical order, purely for completeness.)*
